

Gus Dallas, Ltd., for over 30 years, with a wholesale showroom in the L.A. Mart, has taken pride in offering to our customers the best of fine housewares, tabletop, and gift products. Partnering with our customers, we deliver professional attention to detail and follow through, comprehensive presentations of products tailored to each account, and drive sales with training, product demonstrations, and Vendor Days along with special events such as "Chicago in L.A." We appreciate our customers and understand what it takes to build and run a successful business. It has been one of our goals to select lines that provide a full margin for our customers... lines that are typically not available in discount chains.
